Report of Principal and School Improvement Council

John P. Thomas Elementary stresses the importance of strong academics and collaboration. During the 2012-2013 year we have continued to focus on and implement the components of our District's reading and math initiatives, departmentalized 4th and 5th grade classes, increased technology in the classroom, and community partnerships. Our teachers continue to pull small groups during the day for reading and math. At John P. Thomas, we provide a warm, welcoming atmosphere where positive personal relationships support our school vision that we provide every student with engaging learning experiences designed to maximize each student's potential.

In an effort to meet students' individual needs, the following programs or initiatives were implemented or continued this school year: reading teacher, interventionists for reading and math in grades 1-5, Common Core professional development days, Success Maker Laptop At Home Program, classroom and individual guidance lessons, Leadership and Drama Club through Communities in Schools, Dominic testing in grades K-2, Accelerated Reading and Math, Comprehensive Remediation After-school Program, Breakthrough to Literacy, and the implementation of a structured Response to Intervention process for our students. Our computer labs continue to use a web-based program called Success Maker to provide intervention support in reading and math.

John P. Thomas Elementary School recognizes and rewards students for academic and social improvements by giving the following student incentives: quarterly Nine Weeks Awards, monthly Tiger Character Awards, AR Awards, and incentive parties for Success Maker, MAP and PASS tests.

To encourage parent participation and community involvement this year we offered: Fall Festival sponsored by the PTO, Parent Job Fair, Spring Fling, quarterly awards programs, Veteran's Day Program, Muffins for Moms and Donuts for Dad, Literacy Night, Math Night with Leadership Columbia, Winter Wonderland Musical, Parent Workshops, and Field Day.

Our partnerships with community stakeholders continue to increase and grow stronger. We continue our partnerships with the VFW Post 4262, Palmetto GBA, Francis Burns United Methodist Church, the Burns Foundation, Second Calvary Baptist Church, Bethlehem Baptist Church and Midlands Reading Consortium.

John P. Thomas Elementary School is very proud of the academic and social improvements that are demonstrated on a daily basis by our students, parents, faculty and staff. We are very appreciative of our parents and community partners for their hard work and devotion to John P. Thomas, as well as their commitment to assist us in "Imagining the Possibilities" for our students' education.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
